**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

16. You shall abstain from alcohol and shall submit to testing (including urinalysis and Breathalyzer), as directed by the supervising probation officer.
17. You shall not enter into or remain in any establishment where alcohol is the primary item of sale.

**CAUSE**

On July 26, 2005, Ms. Vangrimbergen was arrested for driving while under the influence of intoxicants (DUI). Her case is pending in Spokane County District Court. Following the defendant's arrest, she reported the information to her employer and the undersigned officer. As a recovering addict, Mrs. Vangrimbergen has displayed more of a concern that she consumed alcohol on July 26, 2005, than being arrested on that day. In discussion with the defendant, it appears that a possible cause for the defendant's consumption of alcohol that led to her DUI arrest may have been prompted by some unresolved mental health issues. Subsequently, Ms. Vangrimbergen has been referred to mental health counseling. Additionally, the defendant's frequency of urine testing has been increased. Given the defendant's appropriate response to the alleged violation, and her ongoing compliance, the above modification is warranted in this matter. Ms. Vangrimbergen has agreed and signed the attached waiver of hearing to modify her conditions of supervision as noted above.

Respectfully submitted,

by

  
Richard B. Law
